December 12th, 1829.

AT a Public Meeting of the Inhabitants of this Town, held at the Old Ship Tavern, on Thursday, the 10th December, 1829, for the purpose of taking into consideration the proposed erection of a Bridge over the river Adur, at the west end of the Town of Shoreham, communicating with a new road from thence to South Lancing, whereby a saving of nearly two miles, in the distance between Brighton and Worthing, would be effected; and to adopt such measures, relative thereto, as to the said Meeting may appear expedient;—the High Constable in the Chair;—it was

RESOLVED,—That it appears to this Meeting, that the additional facilities of communication, which the projected new bridge and road would afford to the visitors and inhabitants of the Sussex coast, render their execution measures of the utmost importance to the Towns on the line of such road, and to travellers generally.

RESOLVED,—That this Meeting hereby declares its unqualified approval of such contemplated improvements.

THOMAS PALMER, Chairman.

RESOLVED,—That the thanks of this Meeting be given to the Chairman for his impartial conduct in the Chair.

AT a MEETING of the INHABITANTS of the BOROUGH of NEW SHOREHAM, held on Wednesday, the ninth of December, 1829, for the purpose of receiving the Answers of the Members for the Borough, to the Communications of a Meeting held on the 2d of November last, on the subject of the proposed new Road and Bridge.

Mr. W. CRUMB, High Constable, In the Chair.

*It was Resolved,*—That the Answers received, be inserted in the *Lewes Paper* and *Brighton Gazette*.

*Resolved,*—That the Thanks of this Meeting be conveyed by the Chairman to the Members for the Borough, for their kind and prompt attention to the Communications of the former Meeting.

Nov. 26, 1829.

Sir Charles Burrell loses no time in acknowledging the receipt of the Resolutions forwarded by Mr. Crumb, as Chairman of the Meeting held on the 2d of November at Shoreham, which he received on his return home from London, and in reply, he will pay all due attention to the measure whenever brought before Parliament.

To Mr. Crumb.

Castle Goring, Dec. 1, 1829.

SIR,—I beg to acknowledge the receipt of your Letter, inclosing the Resolutions agreed to at a Meeting held at Shoreham, respecting the proposed new Bridge and Road.

Having always been most anxious to see the object in question effected, I can assure you, that it has given me the greatest pleasure to be informed of the successful prospect of this undertaking, and the zealous support which has been afforded by the gentlemen of Shoreham, Worthing, and Brighton.

I need hardly say how much I shall be delighted, if I can be of any use in forwarding through parliament or elsewhere, a measure which, I think, will be so beneficial to the County, and to the Public in general.

I remain, Sir,
Your obedient and humble servant,
HENRY HOWARD.

To Mr. Crumb.

### HARVEY'S SAUCE,

FOR FISH, GAME, STEAKS, &c.

E. LAZENBY & SON gratefully acknowledge the increasing demand and decided preference this much admired Sauce continues to experience, and are happy to announce that on the 28th July, 1829, they obtained a verdict in the Court of King's Bench, with £40 damages, against Mr. Wingrave, of St. Paul's Church Yard, London, for selling a spurious sauce, with a label to imitate that used for the genuine Sauce; which continues to be prepared only at their warehouse No. 6, Edward-street, Portman-square, and cannot be genuine unless the label of each bottle is signed Elizabeth Lazenby, and the cork sealed with their full address.

N.B. Country Dealers not procuring it direct from E. Lazenby and Son, are respectfully advised, that every bottle from their Warehouse is wrapped in a printed statement of the actions they have maintained for pirating their name and signature.

### PURE MALLEABLE ZINC.

S. S. FOLKER, 143, Royal Colonnade, has just received a large supply of the Pure Malleable Zinc, and would especially direct public attention to the decided advantage which it offers on every occasion when contrasted with lead.

It is a singularly light and beautiful article, and its cheapness and durability may be confidently guaranteed:—among many other purposes to which it may be applied, the following will not be considered unimportant:—

FLAT ROOF BALCONIES, DOMES,

Verandas at little more than the expence of oil cloth,
Lining for Cisterns and Tanks,
Ditto for Reservoirs and Troughs, used by Ice-merchants,
Pipes of all dimensions for conveying water,
Gutters, ditto, ditto,
LINING FOR ROOMS AFFECTED BY DAMP:

In all the above applications of S. S. Folker's Zinc a great saving will be effected—in some instances it will be found nearly one half cheaper than either Lead or Copper.

*N.B. This Zinc must not be mistaken for the German Spelter, which is very brittle and unserviceable.*

### HALLAM'S ANTIBILIOUS PILLS.

THESE PILLS are strongly recommended for Bilious Complaints, Headache, Heartburn, and habitual Costiveness. They are the composition of a professional gentleman of very extensive practice in the present day, probably known to many readers of this paper. In Indigestion, loss of Appetite, deranged Action of the Stomach from Cold, whereby the Secretion of the Bile is obstructed, Indolent Stat, of the Bowels, &c. &c. &c. these Pills may be taken with also gular good effect.

Sold in Brighton by Glaisyer and Kemp, Bateman, Rest, Colby, Badcock, and Moore; in Lewes by Winton; and by the Druggists in all the neighbouring towns.

### COUGHS AND COLDS.

**BATEMAN'S PECTORAL DROPS**

For the cure of Coughs, Colds, Asthmas, Irritation, and Relaxation of the Vessels of the Throat, &c. prepared by

**W. BATEMAN, CHEMIST AND DRUGGIST,**
140, Royal Colonnade, Brighton.

W. BATEMAN, in introducing his Cough Drops for the approval of the Public, has no wish to keep the basis of his medicine a secret, for the designation of 'Nostrum' to any preparation of his, would at once deter him from recommending or offering it for public approbation. It is a fact truly lamentable, that the greater number of "NOSTRUMS" sold under the fictitious names of CELEBRATED COUGH DROPS, INVALUABLE COUGH BALSAMS, INFALLIBLE COUGH ESSENCES, with a long train of etceterns, for the cure of coughs and colds, are compounds of Laudanum, Gum, Resins, and Spirit of Wine, (as a test for which a few drops in water will produce a milky appearance); and these, forsooth, are sovereign remedies for ASTHMA, HOOPING COUGH, and CATARRHS of every description, whether inflammatory or otherwise. The characteristics of "BATEMAN'S PECTORAL DROPS," are the supplying expectorant inspissated juice of the flowers of the MARSHMALLOW, conjoined with the nourishing cordial, Sudorific Essence of the Seeds of the ANISEED, forming a veritable judicious compound for a cough.

The approval of this medicine during the last two years, in private extemporaneous prescribing, has been highly satisfactory.

The poor, whose limited circumstances preclude them the possibility of expending much money on medicine, shall be supplied with BATEMAN'S PECTORAL DROPS, at a considerable reduction below the fixed selling price, 2s. 9d. and 4s. 6d. per bottle.

W. Bateman has succeeded in reducing to solubility CAYENNE PEPPER, without altering the texture, appearance, flavour, or quality.—Also his DISINFECTING SOLUTION, for sprinkling in apartments, to prevent contagion from scarlet or typhus fevers, or "post mortem."

### A FALSE ALARM.

A quarrelsome Cat, of a foe in pursuit,
One morning encounter'd a *reflecting* Boot
From 30, the Strand, and erecting her back,
Commenc'd on the *Jet* a most furious attack,
Her shadow an enemy seeming;
And hideously squalling, she plac'd on the rack
The family, of jeopardy deeming;
But known when the cause of the tumult, not lacking
Was laughter,—the incident teeming
With proof of the merits of WARREN'S JET BLACKING!
