MESSRS. CHAPPELL & CO., LTD., 50, NEW BOND STREET, W.
Dear Sirs,—I feel it both a duty and pleasure to thank you for your two magnificent Concert Grand Pianofortes used by me during my last tour in Great Britain. I cannot speak too highly of the brilliant and sympathetic tone and responsive touch possessed by them. I can confidently say you need fear no rival. Yours faithfully,—WILHELM RAGGHIANTI.

GREAT CENTRAL HOTEL, N.W., January 20th, 1904.

MESSRS. CHAPPELL & CO., LTD., 50, NEW BOND STREET, W.
Dear Sirs,—It affords me the greatest pleasure to state that the Concert Grand Piano of your manufacture used by me at my Concerts at Queen's Hall and St. James' Hall, London, met with my entire approval.
I consider the tone of a remarkably sweet and sympathetic quality, and of unusual sustaining power, the touch very responsive and light. Having always been used to Pianos of German make, it was a great and agreeable surprise to me to find such a perfect instrument of English manufacture. Yours faithfully,—(Dr.) RICHARD STRAUSS.

BERLIN, January 22nd, 1904.

THE TIMES says: "A real Piano with a tone of remarkably sweet quality."
THE DAILY TELEGRAPH says: "Remarkable for the tone and power of a Grand with the compactness of an Upright Piano."
ILLUSTRATED LONDON NEWS says: "Great delicacy of touch and abundance of tone-sustaining capacity."

All Instruments can be purchased on the 1, 2, or 3 years' system. Illustrated Catalogues Post Free.

THURSDAY.

Kent v. M.C.C., at Lord's.

NOTES BY "INVETERATE."

The suggestion made in our football column last week that the weather in May was not suitable for cricket brought forth a supreme effort from the Clerk of the Weather, who gave us a couple of real summer days on Friday and Saturday.

As a result, cricketers were able to have an enjoyable time, although in most cases, owing to the wet, it practically turned bottom and the "sticky" nature of the wickets, bowlers held the upper hand.

* * *

Kent open their season's fixtures next Thursday, when they commence a match against the M.C.C. at Lord's.

* * *

Eltham started well against Charlton Park, when they defeated by 99 runs to 70. Chief credit for this result belongs to Hayward, who took seven wickets for 29 runs, and to R. Y. Hedderwick, who made top score (17) and took three wickets.

* * *

Sidcup II. found the Charlton Park II. batsmen in good form, and their bowlers only met with two successes, three runs out of five whose wickets fell being run out. The Park declared with 165 to their credit, and against this Sidcup II. could only put together 98, D. Wallington playing a fine innings of 47, and Hunter scoring 29—which left 18 for the other nine members of the team, including extras.

* * *

Orpington made an excellent start, which augurs well for the rest of the season, although two men were chiefly responsible for the score.

* * *

Gwynn was in splendid form with the bat. His not-out innings of 89 included three sixes, and if the outfield had not been so slow, owing to the rather long grass, it is safe to say he would easily have topped the century.

* * *

Blackwell, as well, made some beautiful shots in his 28, and Hedderwick's 30 runs came out from a nice square hit to leg—apparently his handicapper is doing. All the other men were too eager to make runs to stay long.

* * *

The visitors fared disastrously before the bowling of Tappenden (5 for 10) and Williams (3 for 9), and were all quickly disposed of for the small score of 21—or 139 behind. Whittington made one good six, shot.

* * *

St. Luke's, Well Hall (champions of Division III. of the South London Church of England Cricket League) commenced the season on Saturday last in capital style by beating the Rev. W. P. Bowler's XI. by 84 runs. For the winners, M. D. Palmer batted splendidly for 94 runs, and H. A. M. Hazell took five wickets for five runs, and E. Strong three wickets for eight runs.

* * *

For the losers, the Rev. W. P. Bowley was in good form, both with bat and ball, while F. Hall took three wickets for 18. The club play their first league match to-morrow, against St. George's (Westcombe Park), at Eltham Park.

* * *

Lamorbey secured a win over their near neighbours, Sidcup Athletic, by 99 runs to 38. F. A. Cooper (28) and F. March (19) made a useful stand for Lamorbey, and H. W. Fairbairn scored 31 and S. White (four for 20) bowled well for them. The Athletic players suffered from want of practice, only W. Cowish, who made a useful score of 17 (not out), being able to have any top for them.

* * *

A meeting of Sidcup Athletic (cricket section) is being held this evening at the club's headquarters, the Blackfriars Arms, for old members, and those intending to join are invited to attend.

* * *

Eltham Park Baptists could only score 36 against Mr. A. Vander's XI. Hamilton bowled top scorer with 10. Mr. Vander's XI. replied with 53 for six wickets, A. Bowers (15) and Cooper (16) being the chief contributors.

* * *

Eltham Y.M.C.A. opened with a meritorious win over the local Commissioned Officers of the R.A. on the Barrack Field, Woolwich.

* * *

In justice to the Non-coms, it should be stated that they were without one or two of their best players, a notable absentee being their crack bat and bowler, Sergeant Mettibburn, who is not unknown to followers of football in Eltham.

* * *

On the other hand, the Y.M.C.A. are this season without their services of late, and their bowlers who did such good work for them last year.

* * *

The scores were: Eltham Y.M.C.A., 148 for six wickets (innings declared); Non-coms, 56. Sulley (three wickets for 12), E. Punch (two for 22), and Bishop (two for 15), did the bowling for the Y.M.C.A., whilst the brothers Punch, Hoy and Sally batted well.

* * *

The secretary of the Y.M.C.A. informs me that they are anxious to get a few more members to strengthen their second team, and another fast bowler would be welcomed by the first team.

* * *

All kinds of smokers' requisites can be had at W. Meredith's, Station-road, Sidcup, and the shop will be found also to have a splendid assortment of picture-post cards, high-class sweets and confectionery, tops, books, &c. The shop is one of the best and cheapest in the district.

SIDCUP II. v. OLD CHARLTON II.—This match was played at Charlton on Saturday last, and resulted in an easy victory for the home team. Sidcup went in first, and Stove and Perry, who opened the innings for the visitors, made a good start, the first wicket fell at one out, and when the last wicket was finally cleared, Sidcup were 48 out for 98. D. Wallington and Hunter alone made any resistance, the latter batting boldly and well, taking 9 wickets. Score:—

HELPING THE DEAF.

Specialist's Simple Cure.

A medical book just published describes a specialist's wonderfully simple cure for deafness and head noises (a real home cure). A limited number of the first edition have been secured for readers of this paper, and will be sent free on request by the publisher, M. Franckel, Dept. J., 235, High Holborn, London, W.C.

WHISKY COMMISSION AND SCOTCH WHISKY.

Owing to the disclosures made by the Whisky Commission, the term "Whisky" and the misleading difficulty in obtaining the genuine article in England, it is a pleasure to be able to refer to a firm which supplies the best, and at the most moderate prices. The wholesale of the Professional and Civil Service Supply Association, Ltd., Edinburgh, are so well matured and so skilfully blended that there is not a single one in a bottle, while the flavour is perfection. The Professional and Civil Service Supply Association, Ltd., does one of the most extensive wine and whisky businesses in Scotland, and its trade has been built up solely on the merits of the whisky supplied by it, and any whisky should give a trial order. They will find it excellent.

POET LAUREATE'S IDEAL WOMAN.

Mr. Alfred Austin, Poet Laureate, described his ideal woman during a lecture the other day. "I imagine," he said, "that the representation of women—I should say womanly women—which is not attractive is a travesty of the fact. In Dante's day Florentine women left their nurseries without adding any colour to their cheeks, mothers tended their cradles, matrons and maids worked at their distaffs. You will probably think this is not very poetic. If you, I venture to reply that it seems to me that it is. The really poetic conception of woman must include her dedication—I do not say her entire dedication—to domestic duties."

FOOTBALL.

NOTES BY "INVETERATE."

Another season's football results may be numbered with the things that have departed. Right through the season I found their fixtures congested, as several had an extension and played on the first Saturday in May.

* * *

The Crusaders again won the East-bourne Charity Cup, defeating Eastbourne, at the seaside town, by the decisive score of 7–1.

* * *

L. H. Adams and H. G. Yates were unable to play, and therefore A. S. was goalkeeper, and H. Crisp and C. H. Jones occupied the outside forwards. Adams defended well, saved goals, and Jones was in brilliant form in the second half.

* * *

Eastbourne held their own in the first portion, but, thanks to some smart saves by A. S., they were not able to score, whereas H. S. and Crisp got goals for the Crusaders, who led at the interval by 2–0.

* * *

In the second half the Crusaders' forwards took the game in hand, and Eastbourne's goalkeeper Crisp had contited the ball from the goal-line, and it had swerved into the net (to the surprise of everybody). H. S. got another goal, and H. V. added three more, from Jones' centres.

* * *

Thus the Crusaders finished fittingly what, in the matter of success in winning honours, has been their most successful season. They have won the Southern Amateur League, with 28 points out of a possible 32, their nearest rival being Richmond Association, who were six points behind them. As the match played Civil Service had to be abandoned, each club took one point.

* * *

In addition, the Kent A.F.A. Senior Cup was won in the first season of its being offered for competition, the Southborne Rovers, who "carried" it in the second year in succession.

* * *

The Kent A.F.A. Charity Cup might have been added to the list, but that the "cup" exists only in name, and that the club were unable to arrange with Ramsgate St. George's to play the final.

* * *

The Crusaders have played 37 matches, won 28, drawn 4, and lost 5; goals for 178, against 41.

* * *

The goals have been scored by: B. S., 43; H. V., 31; H. Crisp, 22; A. J. 21; G. Tabernacle, 6; A. S. 3; H. Mitchell, 2; H. G. Yates, 2, and J. Davis, J. V. Reed, M. Rumball and H. S. Pak (each one goal), while opponents presented them with two goals.

* * *

The losses were sustained against the Corinthians, Civil Service (twice), Old Carthusians, and Oxford University, and drawn games were played with Tonbridge Park, Cambridge University, Canada and Lee.

* * *

The victories were secured against Albyn, Richmond Association (three times), Ipswich Town (twice), Tonbridge Park (three times), Old Salopians, Cambridge University, Eastbourne (three times), Oxford University, Canada, Newmeen, Old Malvernians, Orrelle Park, Brentwood Rovers, Ealing Dean Swifts, Lee Corinthians (twice), Ramsgate St. George's, and Barnet Ash.

* * *

With the exception of the defeat by the Old Carthusians, it was fifteen weeks before the Crusaders met with defeat. Then the Corinthians beat them 3–0, and for some time after that they were very shaky. However, towards the end they were in even better form than at the beginning, and won the last nine matches with a score of 34–4. A complete list of the season's results is given separately.

* * *

The West Kent League (Division I.) was won by Northfleet, with Gravesend and the West Ham Crusaders, Foots Cray secured the "wooden spoon," with six points out of a possible 40.

* * *

The other Divisions do not appear to have been completed, but in Division II. Army Ordnance Corps is at the head in Division III. Cray Athletic; hold the premier position; and Bexley United have won Division IV.

* * *

Orpington, who are second in the West Kent League, are sixth in the London League, which is led by Deptford Invicta, who beat Catford Southend on goal average.

* * *

The Dartford League, like the West Kent League, was in incomplete state. Of the two clubs in the Premier Division, only two have played all their matches, and in Division I. four out of the five clubs have incomplete records. Division II. was more disorganised than the other Divisions, owing to Bexley Athletic and St. Paul's Cray disbanding before the close of the season.

* * *

Dartford won the Premier Division, although Plumstead St. John's, with a match in hand, are only a point behind them. Northumberland Heath United seem made their position sure in Division I., which possibly accounted for so few matches having been played.

* * *

Division II. appears to have been won by Dartford Rangers, although (unless the records of Bexley Athletic and St. Paul's Cray are to be expunged) they had five matches not played, and Slades Green and Cray Athletic had four.

* * *

Hamilton House's record for last season was three played, 28, won 21, lost 4, drawn 1, goals, for 105, against 24.

* * *

The club were unable to finish their West Kent fixtures, owing to Mr. Mottingham and Personnel Ordnance College II. not fulfilling their fixtures at New Eltham.

* * *

In the West Junior Cup, Hamilton House beat Southwood Athletic 3–2, and lost to Burnt Ash United by 2–3, the United being the only club with the exception of Lamorbey, who defeated them during the season.

* * *

They won every friendly, and finished up in the league being second to Lamorbey. Wanderers and Paddington (well up in Division I. of the Chiswick and District League). The former were defeated by 3–2, and the latter by 3–0. Paddington are playing locally, as they used to play Eltham in the old days.

* * *

Southwood Athletic have had a very successful season, having played 27 matches, of which 19 have been won, 4 lost and 4 drawn, with a goal average of 127 for, and 27 against. They have finished second in the West Kent League (Division IV.) for the second year in succession.

* * *

The annual meeting is to be held to-night in the chapel, High-street, New Eltham, and all new members will receive a hearty welcome.

* * *

There are still one or two vacancies in the new league being formed for junior clubs, under the auspices of the A.F.A., and as a meeting will be called within the next week, Mr. Percy A. Hawes, of Birkbeck-road, Sidcup, will be pleased to hear from a few clubs.

* * *

Eltham Albion, who held their annual meeting on Friday, have been fairly successful, having won 12 games and lost 11. The goals scored for the club were 32, against 41.

* * *

Sidcup Association first eleven played 23 matches, won 10, lost 7, and drew 6; goals, for 48, against 25. The second eleven played 18, won 8, lost 14, drew 2, and scored 49 goals, against 56.

* * *

During the seventh season during which Camden Swifts have existed, this last has been the most successful. They have taken part in 34 games, of which 18 have been won, 7 drawn and 9 lost.

* * *

The club ran very close to Bromley Colgrains for the championship of the Bromley Leagues (Division II.), losing only one game and making four draws. Colgrains were beaten by the Swifts by 1–0, this proving the only points lost by them, and Camden had to be content with the position of runner-up.

* * *

In the West Kent League the Swifts hold a rather low place, being fourth, but as they are in this competition they played their best games, meeting stronger clubs.

* * *

The annual general meeting of the club will take place at The Imperial Hotel, Chislehurst, on Wednesday, May 20th, when all members and supporters are requested to attend.

* * *

St. Paul's Cray players have not held so well together as could have been wished, and this accounts for the trouble was caused in the secretary, Mr. J. Hiseman, and it was found impossible to fulfill all the fixtures.

* * *

The club won the Bromley League (Division I.), winning one match, drawing one, and losing one, and having two points conceded to them. In the West Kent League, two matches were won, five lost and two drawn; in the Dartford League, two were won, seven lost, and one drawn; in the Kent Junior Cup, one match was lost, and three friendly matches were won and one drawn.

* * *

The goals scored for the club were 38, against 41. The second eleven won eight matches, lost nine and drew two, scoring 52 goals, against 44.

* * *

Lamorbey won nine matches, lost twelve and drew four, scoring 43 goals, against 34. Most of the matches were lost only by one goal, and altogether the season was not been an unsuccessful one.
