such laurels at Geneva, gh his presentation of the Slav case against Hungary

Yugo-Slav case against Hungary
to the League made him unpopular at home, but this will
depend on negotiations which
may be very protracted.
It is believed that M. Yevtitch
will try to form a Government in
which a number of Opposition
leaders would take part as individuals but not as party
leaders.

Death Merchants' **Dilemma**

From Our Special Correspo

From Our Special Correspondent
WASHINGTON. Tuesday.
THE U.S. War Department in
trying out its new builet as
a synthetic material which clearly
resembles living flesh.
This grisly plece of realism war
revealed at today's hearing of the
Senate Munitions Committee
when military plans for future
war were under consideration.
Apparently the military mind is
dissatisfied by the mortality rule
of builets in the last war and is
seeking more lethal ammunition.
Correspondence showed that M.
