FARNHAM.

PETTY SESSIONS.

THURSDAY.—Before Mr. F. Mangles (in the chair), Captain Bacon, Mr. W. T. Coleman, and Mr. A. C. Pain.

LICENSING MATTERS.

Mr. E. Jackson, on behalf of the Farnham United Breweries, Ltd., applied for sanction to certain proposed structural alterations at the Happy Home, The Bourne. He reminded the justices that the license was renewed this year on condition that the shop attached to the premises was separated therefrom. He said the shop had now been moved right away.—The Chairman said he saw from the plans that it was proposed to enlarge the bar considerably.—Mr. Jackson: There will be only increased facilities for serving. — The Chairman: It does not seem from the plan that the shop is cut off at all.—Mr. Jackson: It is true that you can get from one to the other, but you will have to go through the private dwelling house to do so. Counsel who opposed the renewal of the license at Quarter Sessions tried to get the Court to say that the shop should be done away with, and the Chairman said that was not what the Licensing Committee wished, but that it should be separated from the drinking part.—The Chairman: But the two are not structurally divided.—Mr. Jackson: Do you mean by a hard and fast wall? — The Chairman: Certainly. There should be no communication whatever.—Mr. Jackson: I should have thought that moving the shop right away would be structurally dividing the premises. —The Chairman: What of the enlargement of the bar, and the greater facilities for drinking?—Mr. Jackson denied that there would be increased facilities for drinking. He said the evidence given at Quarter Sessions was that as much drinking took place in the shop as in the other part of the premises, and a counter had now been provided for the bar, which gave increased comfort.—The Chairman said the justices had considered the plans very carefully, and they could not sanction the application.

Structural alterations, principally enlargement of a cellar, were, upon the application of Mr. Jackson, allowed to be made to the Ancient Foresters, Camberley.

The licenses of the following houses were permanently transferred:—The Royal Oak, Wrecclesham, from Edward Stephen Crow to John Hoar. The Old Ford, Ash, from George Henry Fox to Henry Goddard. The Ash Vale Hotel, Ash Vale, from Thomas Walker to Albert Burch. The Duke of York Hotel, York Town, from Mr. Breeze to Mrs. King.—Asked why he was leaving the Old Ford, Mr. Fox said he thought he had been there long enough.

A PASSIVE RESISTER.

George Haward, of Farnham, was summoned at the instance of the overseers for non-payment of his poor rate.—Mr. A. Thorp, rate collector, said £1 13s. 4d. was the amount due. Defendant had offered part payment, but he was not authorised to accept it.—Defendant said he must continue to protest against the Education Act in this way until the Statute was altered.—An order for payment was made.

INSUFFICIENT EVIDENCE.

William Miller, labourer, Badshot Lea, was summoned by his wife, who sought for a separation order because of his alleged persistent cruelty.—Mr. Jackson, who appeared for the complainant, said defendant would not work, and what money he got he spent at the publichouse. The wife earned what she could to keep herself and her two children, and on Tuesday, in consequence of defendant's threats, she left him, and had since lived with her mother.—Complainant stated that defendant had struck her on more than one occasion. On Tuesday, he told her to go and earn money somehow for herself and the children, and said that if she did not clear out in ten minutes he would "do" for the lot of them.—Defendant denied using threats and striking his wife.—The Chairman said the justices considered the evidence to be insufficient, and the case was dismissed. Defendant, he said, was evidently a lazy fellow, and he warned him that if he was summoned again he would not be let off so lightly.

CRUELTY TO A PONY.

Arthur Hunt, a youth, was summoned for cruelty to a horse by working it whilst in an unfit state.—Inspector Hunt, R.S.P.C.A., said that on August 11th he saw the defendant driving a pony at Camberley. The animal was attached to a cart laden with oil-cans, and limped very painfully. He found it to be suffering from ringbone, sprained and contracted tendon, and the fetlock joint was very much overshot. The pony was totally unfit for work.—Mr. Lloyd, veterinary surgeon, corroborated as to the condition of the animal.—Mr. Marsh, who appeared for the defendant, said the pony belonged to Mr. Norman, and no one was aware that the animal was lame until Inspector Hunt drew attention to it.—Defendant and Frank Austin, manager to Mr. Norman, gave evidence in support of this statement.—Mr. Poore, veterinary surgeon, was also called for the defence. Witness said he was summoned to the pony on August 11th, and he found it very lame, owing to ringbone. It might have fallen lame suddenly.—In cross-examination, witness admitted saying to the manager that the pony was quite unfit for work, and that the inspector was justified in stopping it.—The Chairman said there could be no doubt that the pony was unfit for work and it ought not to have been sent out.—A fine of 15s. was imposed.

Frank Austin and Frederick Charles Norman were summoned for causing the pony to be worked.—Inspector Hunt stated that when he spoke to Austin as to the condition of the animal, the manager accused him of making the pony lame by twisting the fetlock.—The owner did not appear.—Mr. Marsh, who appeared for the defendants, said Mr. Norman was away on holiday, and did not see the pony for a fortnight prior to August 11th. He was a great admirer of the R.S.P.C.A., having been a subscriber to it for some years, and he would not knowingly work a horse in an unfit state.—A fine of 1s. was imposed in each case.

ASSAULT WITH A STICK.

Mrs. Horne, of Heath End, was summoned for assaulting a young woman named Blanche Larby, who stated that she was in her mother's backyard on August 22nd, taking her little brother's part against defendant's daughter, when Mrs. Horne came out, and broke a stick over her back. — P.C. Beadle spoke to being shown a large mark stated to have been caused by a blow on complainant's shoulder.—Defendant did not appear, and was fined 10s.

A TROUBLESOME CUSTOMER.

Jessie Stevens was summoned for disorderly conduct, and for refusing to quit the Greyhound Inn, Ash, on August 24th.—Mrs. Ives, landlady of the Greyhound, said the defendant entered her house and had an altercation with her (defendant's) husband. She was requested to leave, but refused to do so, and used abusive language.—Emily Ives, daughter of complainant, corroborated.—Defendant said she was not in the house, and called her nephew in support of the statement.—Previous convictions were proved, and defendant was fined 10s.

OTHER CASES.

John Green was fined 10s. for leaving his horse and cart unattended for thirty minutes outside a publichouse at Ash, on August 2nd.

Harry Hack, against whom there were previous convictions, was fined 15s. for being drunk and disorderly in Red Lion-lane, Farnham, on August 12th.

Albert Cooper, for allowing his dog to be at large unmuzzled, and without proper control, at Upper Hale, on August 26th, was fined 10s. —P.C. Nash, who gave evidence, said the dog was a very spiteful one, and he had warned defendant three times about it.

William Saggers, Claude Potter, soldiers, and William Bull were summoned for disorderly behaviour in Hale-road, at midnight, on August 27th.—P.C. Stringer gave evidence, and defendants were fined 5s. each.

POLICE CHANGE.

On Tuesday P.C. Kippin, who has been stationed at Farnham about two years, was transferred to Ottershaw, in the Chertsey Division. He is succeeded by P.C. Smithers, from Guildford.

SWIMMING.

An interesting team race took place at the Farnham Baths on Wednesday, between teams representing the Farnham and Guildford Swimming Clubs. The distance was 300 yards; six men from each club swimming 50 yards each. The Guildford men won by 25 yards in the good time of 3mins. 45 4-5th secs. Teams: Guildford.—Cridge, Upstone, Stafford, Newstead, Jones, and Yates. Farnham.—Morgan, Dobbie, Steward, Brans, Tucker, and Evans. The return race will take place at Guildford at the annual swimming meeting at the baths in a few weeks time.

HOME AND SCHOOL.

In the ninth number, just out, of the bright little production entitled "Notes" issued in connection with the Farnham West Street Council School, appears the following article: "We are sometimes inclined to ask ourselves whether the issue of these notes has been productive of the results we anticipated when we resolved upon the first effort. We hoped thereby to do something to strengthen the bond between the home and the school, and signs are not wanting to prove that our hopes have not been disappointed. The neatness in the boys' appearance, the general punctuality and regularity of their attendance, the increased parental interest in the boys' future, the pride taken in the school's successes, and the assistance given by the parents to the school athletics, all seem to show that school and home are united in the effort to do the best for the welfare of the children.

"This result brings keen satisfaction to us, but we must confess that the satisfaction is not yet complete. We would ask in all seriousness, 'Does each boy employ his out-of-school hours well and wisely?' 'Do parents realise all the evils and dangers which may entrap the unwary boy when he has nothing better to do?' 'Do we concern ourselves sufficiently in our boy's choice of a chum?' These questions are something more than personal—they are of national importance. Upon the purity of the thoughts, words and deeds of our young people to-day depends their moral backbone when they become the men and women of to-morrow. Thus it falls upon us as parents to take a keen interest in the disposal of our boys' leisure hours, to see that they have 'something better to do' than to loaf in the streets and byways, smoking cigarette ends, using coarse language, and allowing their better selves to die an unnatural death. We should enter into their amusements, talk to them of their doings, join in their games—even as though we were children again: for it is only thus that we can show that they have our sympathy, and it is only thus that we may gain and retain their confidence. It may happen that on the day that the boy ceases to open his heart to his parents on that day they may cease to influence him for good or for ill."

THE PEACE.

The conclusion of peace was celebrated at Farnham on Wednesday evening by the ringing of the Parish Church bells.

MARRIAGE OF MISS HEWITT.

On Wednesday afternoon the marriage of Miss Emily Jane Hewitt, eldest surviving daughter of the late Mr. and Mrs. James Hewitt, of The Borough, with Mr. Alfred George Crisp, son of Mr. G. Crisp, of Clapham, took place at the Baptist Chapel, Park-lane, in the presence of a large number of friends. Mr. Charles Hewitt, pastor of Bethel Baptist Chapel, Hungry Hill, conducted the service, which was choral, and delivered an address. The bride was given away by her brother, Mr George Hewitt, and was attired in a travelling dress of heliotrope lawn, trimmed with lace, and hat to match. Miss Charlotte Louisa Hewitt and Miss Annie Hewitt, sisters of the bride, were the bridesmaids, and wore dresses of pale blue mercerised muslin, with white hats. The gifts of the bridegroom to the bridesmaids took the form of silver pencils. Mr. Fred Jones, of London, was the best man. After the service a reception was held at the home of the bride, and later in the day Mr. and Mrs. Crisp left for Brighton for the honeymoon. Following is the list of wedding presents: Mrs. Swayne, chairs; Mr and Mrs Parker, eiderdown quilt; Miss Hoare, teapot and sugar basin; Mr and Mrs Hewitt, fern stand; Mr Robinson, fancy dish; Mrs Cranstone, table cloth; Mrs Robinson, table cloth; Miss West, pair of curtains; Mrs and the Misses Newman, picture; Mr Jones and Miss Crisp, silver jam dish; Mrs Rogers, silver serviette rings; Mr Loughlin, silver salt cellars; Miss Hudson, butter knife; Mr Wm. Wells, jam dishes; Miss C. L. Hewitt, quilt; Miss A. Hewitt, table linen; Mr F. Baker, silver butter dish; Mrs Kelly, table cloth; Mrs Crisp, curtains; Mr and Mrs Tombs, table cover; Mrs Chas. Bentall, cushion; Messrs. G. and A. Hewitt, clock; Mr Crisp, coal box; Mr Brock, toilet set; Miss Lillie Charlwood, tea cosy; Miss Nellie Charlwood, mats; Mrs Hazell, silver spoons; Miss L. Cranstone, fancy tray cloth; Mr and Mrs Bates, dish of grapes.

ACCIDENT TO A CYCLIST.

On Wednesday a private in the 2nd Scots Guards accidentally collided with a vehicle whilst cycling down Firgrove Hill, and was thrown from his machine. He regained his feet, apparently little the worse for the mishap, and continued his journey, but on reaching East-street he collapsed. Dr. Miles was summoned, and found him to be suffering from several fractured ribs. He was removed to Cambridge Hospital, Aldershot, on the St. John's ambulance.

SANDHURST.

ANNUAL FORESTERS' FETE.

The annual fete promoted by Court Windsor Forest, No. 4,832, A.O.F., Sandhurst, which this year marks the 39th anniversary of the branch, was held on Wednesday in the cricket field (by permission of Mrs. Over). The threatening weather no doubt accounted for a smaller attendance than usual in the afternoon, but in the evening the fete was largely patronised. The proceedings commenced soon after 2 p.m., when the members of the Court, accompanied by the Crowthorne Band, and headed by the banner, proceeded round the village, returning to the field about three p.m. The sports, which commenced shortly afterwards, occupied the whole of the afternoon and part of the evening, the programme containing no fewer than 20 events. Major T. K. Bunting directed the sports, and acted as starter, and in the carrying out of the various items he had the assistance of a number of the members of the committee. The principal event was the one mile handicap, in which there were eight competitors. This was a fine race, and although the ground was very uneven, the distance was accomplished in good time. Mr. W. Strange, with 200 yards start, was the winner, crossing the tape about five yards ahead of Mr. F. Inwood, who started from scratch. Mr. H. Eyres, 20 yards, was third. The open quarter-mile handicap, secured eleven entries, and proved a very exciting event. The winner was Mr. W. Ewens; scratch man (Mr. John Sharman) being second, and Mr. F. W. Inwood, the popular hon. sec., third. The open 120 yards, and the Foresters' 120 yards, handicaps, provided good races, and the juvenile half-mile was also hotly contested. The tug-of-war—the final event—secured three entries, viz., the Foresters, Crowthorne, and Royal Military College teams, the last-named securing a bye. The Foresters succeeded in easily defeating Crowthorne, but in the final—partly through a misunderstanding among the team—lost to the college staff in the first two pulls.

TONGHAM.

THE GOOD TEMPLARS.

The quarterly session of the West Surrey District Lodge was held in the Gospel Temperance Hall on Wednesday, and was well attended, representatives being present from the following lodges: Aldershot, Bourne, Chertsey, Dorking, Farnham, Godalming, Cranleigh, Hammer (Haslemere), Woking, Stoughton, Tongham, Stephen Percy (Guildford). Bro. J. Head, D.C., of Woking, opened the session, and reports were presented by various officers. It was resolved to accept the invitation of the "Crusaders of Chertsey" lodge to hold the next quarterly session at Chertsey. Tea was served at 5.30, and a conference followed. Brothers P. Warner, Stoughton, and T. Rivers, Farnham, and Sister Coleman, Tongham, were raised to district degree, and a vote of thanks was passed to the Chertsey lodge for a donation of 30s. At 8.15 a public meeting was held. Bro. Hyde presided, supported by Bro. Hawes, D.C., of Guildford, Bro. Holland, of Battersea, and Bro. A. Bishop, D.S., of Aldershot. Bro. Winmill, D.C.S., Guildford, gave an address on Good Templary in general, and a programme of songs and recitations was gone through.

LIGHTING OF THE VILLAGE.

The annual meeting of electors was held in the Village Hall on Wednesday evening to consider the lighting arrangements of the village, Dr. H. M. Chester, C.C., presiding over a small attendance.—The Chairman observed that they might take it that the inhabitants were content with what was done last winter, and remarked upon the improvement effected in the lighting by connecting the public lamps with the gas mains. He said he supposed that most of the lamps would eventually be lighted by gas. He read the balance sheet, which showed receipts amounting to £33 2s. 10d., being made up of £8 2s. 10d. balance from the previous year, and £25 brought in by the lighting rate. Payments left a balance in hand of £10 12s. 3d.—After discussion the balance sheet was, on the motion of Mr. W. J. Neal, seconded by Mr. Corps, received and adopted.—Mr. Smith protested against the cost of collecting the lighting rate, estimated to be about £4, and it was agreed that the attention of the Parish Council should be drawn to the matter.—On the motion of Mr. Smith, the meeting decided that the amount to be raised by the lighting rate for next season should be the usual sum of £25. —It was remarked that some people wanted to know why lighting was required. The Chairman: What do we want anything for? Mr. Corps: People keep on grumbling about the rates. The majority of us have a very limited purse.—The Chairman: If we have these luxuries we must pay for them.—Mr. Smith: But the lighting is a real improvement to the village. — The Chairman: Lighting is a necessity nowadays. It tends to trade. If you have no light people will not move about at night. Then, again, they don't care to settle in a place nowadays if there are no lights. You must therefore, not look on lighting as a luxury.—Mr. Smith: Look at the Ash Parish Council, they won't have any light (laughter). —The meeting then closed. — Mr. Chester afterwards regaled those present with some delightful fruit.

WRECCLESHAM.

THE CONGREGATIONAL MISSION ROOM.

The second anniversary of the Congregational Mission Room was celebrated on Wednesday with a public tea and meeting, both of which were well attended, a number of friends being present from Farnham. The Rev. T. W. Ingram presided over the meeting, and addresses were delivered by the Revs. D. Darlow and Mr. Harris, and Messrs. Corlsin, Lee, Goodbody and Hobbs. It was reported that the collections of the past year amounted to £14 11s. 9d., and that £142 was still required to be raised on the building fund.

CHURT.

A DANGEROUS CORNER.

The Hon. H. Cubitt having signified his willingness to give the ground necessary for diverting the road from Hindhead to the Crossways at Butt's Corner, it is hoped that the authorities will delay as little as possible the effecting of so great an improvement. A number of accidents have recently occurred at Butt's Corner, the latest being to two maids employed at Downlands, Bramshott. Whilst cycling down the hill they lost control of their machines, and one was precipitated over a hedge, falling about 14 feet, and sustaining a fractured shoulder and broken ribs. The other dashed into the hedge, but was not so seriously hurt.

ASH.

ACCIDENTS.

On Wednesday, whilst a motor car belonging to Redditch was mounting the road leading up to the canal bridge, a child ran from one of the cottages adjoining into the way of the car, and was struck by a mudguard. Several of the child's teeth were dislodged, and the owner of the car kindly removed the little one to Dr. Colen's surgery at Aldershot.

Mr. Walter Taylor, son of Mr. C. J. Taylor, has been admitted to the Guildford Hospital. He was out shooting, when his gun accidentally went off, the charge entering his left foot, which is badly lacerated in consequence.

The whole of those present were elected a committee to organise the parade on Sunday September 17th, Mr. Dyer was elected chairman, and H. Wynn hon. secretary. It was decided to cover a longer route by starting from Mytchett cross roads instead of Frimley Green as in former years. A large number of gifts in kind for the tea were announced. It was decided to invite the fire brigade, the Reading and the local ambulance branches to attend, and also all the Foresters, Oddfellows, National Deposit branches and Slate Clubs in Frimley and neighbourhood. Subscription lists were started, and collecting boxes allotted.

C.E.T.S. FETE AT WHARFENTON.

The annual fete promoted by the Frimley branch of the Church of England Temperance Society was held on Wednesday in the grounds of Wharfenton, Frimley Green, by permission of Mrs. Harris. There was a large attendance of members and friends in spite of the very threatening weather. The gathering was arranged by a committee of the society consisting of Miss Maybury (hon. sec.), Mrs. Basset, and Mrs. Filmer, and among the attractions provided was boating on the lake. Tea was served in the boathouse, and at the close an address on temperance was given by Mr. Cattell, late of the Highland Light Infantry.—A vote of thanks moved by the Rev. W. Basset to Mrs. Harris, for the loan of the grounds, and the secretary and other helpers, concluded a successful gathering.
