LABOUR M.P.'S EARLY TRIALS.

MF. W. C. Steadman, Labour M.P. for central Finsbury, tells his life story in the arrent number of "Pearson's Weekly." he article is ope of a unique series, in hich the various members of the new abour party tell the stories of their lives. One of the first things I remember is the stories of the stories of their lives. One of the first things I remember is the stories of the stories of the stories of the party of the stories of the stories of the stories and the door.

adman. Fortunately, 1 get no farther to the door, in the property of the prop

particles, we susered much, and were often hung?. I give up and married, I remember the grayed to God that if I md children of my wen they might not suffer as I had suffered, and one of the first convexions I formed to go the suffer of the suffered to the suffered to the suffered to the suffered to the work of the suffered to the su

CAULED BY A LION.

greatly attended to, she was able to be taken brone by calb to her residence in the Lambeth-road, accompanied by her friends. The taken being the lady is, happily, progressing favourably, and no danger is apprehended.

The audience witnessed the whole of the incident; and no little sensation was recated as the purtain was wrung down.

ALLEGED ABDUCTION. SEQUEL TO A SCOTTISH DIVORCE ACTION.

struct of the out-of-work army, assembled by the control of the co

RADIUM.

The supply of radium has practically coased, and the price of this wonderful "We would very much like to obtain more for our experiments, but we cannot afford it, a consulting surgeon at a large sensitive yesterday. "The discovery of radium is so important and revolutionary that efforts are being made both in radio-active substances from other sources than pite-belende."

America and this country to obtain efficient and can be admissed from the courses of a physicist who has provided many institutions with radium of various qualities more from the great center in Brunswick. It was from the Brunswick centre that contained the control of the con
