ATURDAY'S POST.

AT UNDAY STATES AND LONG THE REPORT OF THE R

An express native of in the course of last night, from the French Directory to our Government, ontaining a passport for an Ambassador from his Country to treat for Peace: Ether Lord suckland or Lord St Helens, will immediately e sent to Paris in consequence. According to all the accounts from Vienna, and continue to the second strength of the termined to chastis the infolence of the russian Monarch, and oblige him to relinquish is session.

ind offer parts to the company of the parts of the festermined to Challife the infolence of the Frullian Monarch, and oblige him to relinquish is feitures.

Ingolditati, and fome other firong posts upon the Danube, are fortifying by the Austrians. A camp for 40,000 men is also traced out under the walls of Amberg.

The Emperor has addressed a Reservite to all the Palatinates in Hungary, in which he informations that he may finertly fand in need of the dilatinates in Hungary, in which he informations that he may finertly fand in need of the dilatinates of their zeal and courage.

The Republic of Venice, which during four-tone Centuries has estepade for fortunately amid all the political changes of Europe, has now as a foot of land left on the Continent. All is it possessed to the foreign of the French. In all the Towns of the Venetical Territory, French Cartifons, Commandants, Ministry and Territory, French Cartifons, Commandants, Ministry and Territory, French Cartifons, Commandants, Ministry, and Territory, John Cartifons, Commandants, Ministry, and Territory, John Cartifons, Commandants, Ministry, and Territory, John Cartifons, Commandants, Ministry, and Territory, and Territory, on the Cartifons, Commandants, Ministry, and Territory, and Territory, and Territory, and the change of Government was determined on at Venice, three Deputies were see fent to Buonaparte to inform bim of it. Three Ex-nobles are also feat to Millan, by the way of Padua, to treat for a Peace, which they have obtained under the following circumflances:

18. The Venetian Territory on the Territory on the Tray is deally fettled.

28. The Venetian Territory on the Territory on the Tray is deally fettled.

nally fettled. The Fort of Venice shall be put in the possession of French Troops.

5. All Perions who have been stretted on account of political opinions, that he feat a liberty.

6. The Venetian form of Covernment shall be entirely changed.

Since the year 1593 the Houfe of Austria has been engaged in eighteen wars? Austria at no period during these two centuries has enjoyed a Peace of twenty years. The refources and the strength of a power thus harrassed by warfarmed have been immense.

Capit, Hearne, of the Prince of Wales packet, arrived yeslerday evening at the Admiralty, with an account, that their Serene Highness at the Prince and Prince's or Wincemberg had arrived five at Cutshaven, on Monday night, at nine of the Prince of the Prince of Wales packet, and the prince of the Prince of Prince's or Wincemberg had arrived five at Cutshaven, on Monday night, at nine Admiralty, with an account, that their Serene Highness a Cutshaven, on Monday night, at nine Admiralty, with an account, that their Serene Highness and the Condon, I will on the Roy of the Admiralty, with an account, that their Serene Highness and the present rebellious profiles of the Admiralty, and we have been supported by the Prince of the Admiralty of the Admiralty's pardon.

The Raven being, Captain Prowse, has taken a carried into Lisbon, a Manilla-man, of very uniderable value. This vessel bore, having the condition of the Prince of the Majesty's pardon.

The Raven being, Captain Prowse, has taken a carried into Lisbon, a Manilla-man, of very uniderable value. This vessel bore down on the brig to enquire how the land bore, having the flat thirty wars, in as follows; — One Admiralt, at Post-Captains, 30 Malters and Communders, 137 Leavenants, busidess Mafers and Communders, 137 Leavenants, bu

Venerday difinatches were received at the Admiralty from Admiral Duncan, dated off the Texel. He went very close is and faw above yo vessels of different kinds, about a 4 of which appeared to be of the line, and seatly for feat. Yetherday there was a Causely for feat and the control of the
