[BY EXPRESS.]

BOUSS OF COMMOSS, MARCH 14.

THE Devices Shooting Bill wer sead a thick then and patients Shooting Bill wer sead a thick then and patients. The House having refuders ittell into a Committee of the Lucame Bill.

The Chancelle of the Exchepuse moved the Claufe ordering the Returns to be given in fealed to the Addience and in case the Ecuturn were not delivered in by them unopened to the Commitisners, to make them hisbe in a penalty not exceeding 20.

After a few observations from Mr. H. Thomson and Mr. Denn for the Chancel of the Chancel of the Chancel of the Lacke was put; when the Waste 15.

After a few observations from Mr. H. Thomson and Mr. Denn for divided was put; when the week to be compared to the Commitisners, to make them hisbe in Ayes 45—Nose 9.—Majority 36.

The Committee them went through the Bill; and several clustes were brought up by the Chanceller of the Exchequer, but none of them of much importance.—Adjarrated.

L.O IDON, March 25.

On Monday diffuschles were received by Government from Lord St. Vincent, rought to Falmouth in the Conflictation utor 3th ult. At that time no left far weeks, and the arfenal was every much in want of shore, as Lord St. Vincent's facet had required considerable supplies, owing to bad weather.

The Spaniards have 24 ships of the line ready for fain in Cadic harbour.

Advices have been received at Gibraltar from Palermo, in Sicily, giving an account that previous to the evacuation of the kingdom of haples, all the Neapolitan sips and the arfenal had been destroyed.

Advices from Vienna contradict the reports of the French having re-victualled Malta.

The Same letters flate that the Turks and Rufflans had taken Corsu by florm.

Yesterday a General Court was held at the Bank, when a resolution was submitted to the Court by the Chairman, for leave to advance one million and an half on the Exchequer Bills lately interesting the court by the Chairman for leave the chair.

The Same letters flate that the Turks and Rufflans had taken Corsu b

OXFORD, March 16.

On Tuefday the Rev. John Williams, B. A. of Jefus College, was admitted Mafter of Arts. The fame day-Meffus, George Drake, of St. Mary Hall, and Alex, Ballet, of Jefus College, were admitted Banchers of Arts.

The marched Banchers of Arts.

The Mafter and Fellows of Balliot College, in this University, have prefented the Rev. John Barnes, M. A. and Fellows of Balliot College, in this University, have prefented the Rev. John Barnes, M. A. and Fellow of that Society, to the Rectory of Tendering, in the county of Elley, wacant by the death of John Cooke, M. The Lord Biftop of Hereford has been pleafed to collate the Rev. Morgan Cove, Ll. B. to the Rectory of Eaton Biftop, near that city, void by the cellino of the Rev. John Lindenan is collated to the Vicarage of Stitney, Cornwall, vacant by cellion of the aforefaid, Morgan Cove, Ll. B.

The following copy of selter was received on the topinal, by Majar Walle from General Brue v.—

Sin, "His Majar having thought proper to avail himself of the very loyal and fipticed offer made by the Cambridge and Oxfordhire Regionets of Minist, to extend their fervices to Ircland, I am to defire, that you will communicate to the Copy to the King's acceptance of their offers, in order that they may hold thendieve in realines to mach and enhank for Irclands, it faith for an all hereafter be pointed cut to you.—In making the bridge and Coffodhire Regionets of the Editafation which, independent of that which affect from their solong many conduct and attention to every part of their unform good conduct and attention to every part of their unform good conduct and attention to revery part of their unform good conduct and attention to revery part of their unform good conduct and attention to every part of their unform good conduct and attention to revery part of their unform good conduct and attention to revery part of their unform good conduct and attention to revery part of their unform good conduct and attention to revery part of their unform good conduct and attent

uniform goot conduct and attention to every part of their days fiace. I have had opportunities of noticing thems.

(Signed) "I am, Sir, Yours.

"Commander in Colied."

To General Sir Wim, Hensey, R. B. &c.

So foon as the above litter was read to the men, they give three cheen in terlinousy of their residins to march give the colient in the substitute to the April. The regiment was prevented going to Ir-lead hid Jue on a seconat of their being flationed fo far on the eathern part of the kingdom.

We hear from Aylefbury that the Yeomen Cavalry and Company of Infantry, from 150 to 200, met on Sunday laft, and went to Church to return rhanks to Almighty God for his providential deliverance of the Right Hon. Thomas Grenville, their Major. The manner in which heve gave this tetlinous of their gread and affection for their Commanding Officer cannot be too much commended. The fermon, preached by Mr. Lloyd, the Vicar, (late of Univerfity College) not only did him great credit, but thewed how fensibly he felt the fubject on which he adderfield his congregation.

On Wedneffasy laft the Biccler Loyal Volunters were ordered by their Commandant to attend the funeral of Mr. William Multile which and the funeral of Mr. William Multile which are the fame time particularly awful fighther and accountements of the decaded were placed on the coffin. A division of twelve Grenadiera, appointed to fire over the grave, led the proceeding, attended by the band, who played with great judgment a very flow folenn march.

On their way to Church many of the spectators, who were on this occasion particularly numerous, could not forbear to drop a tear of pity for the death of a man whole loss mult be fineering the first own of the commandant to with the other works of the proceeding and them, with the other Volunteers, returned to their usual parade.

At the allies at Aylethory a bill of indictment as town of the condition of the fast, and then, with the other Volunteers, returned to t
