HOUSE OF LORDS, Turjlay, Moreb 3.

VIE Bills on the table-were forwarded one flage.—
The Irifth Priels' Orders Bill, and five private was severed from the Commons. Among the rewarded from the Commons. The first reading of which Lord Synfet role, not, he for the purpose of opposing the melitre, but of the purpose of the first reading as the global servation on so the circumstances are selected for the cause was equally obvious; it was folly to be about to the negligent and flowerly manner in which engravings had been generally-executed for forme spatial. Of this confure he did not man to a ferible repair. uite was equally obvious; it was folely to be and of to the negligent and flowenly manner in which gravings had been generally executed for formed. Or this centure the did not mean to aferibe and the standard to the gentleman for whole benefit the prefent is introduced; but he could not avoid mentioning the ac contraft to that care as well as ingenuity, and accumulated wealth. He well retend the terms of admiration in which foreigners of the Death of Wolfe, and the battle of La Hogue, execution of each of thefer prints Woollett from the tree and four years, and for each of them he directly the mention of this Bill, though in general averie to eliciton of this Bill, though in general averie to eliciton of this Bill, though in general averie to eliciton of this Bill, though in general averie to eliciton of this Bill, though in general averie to eliciton of this bill, though in general averie to be the third of the significant of the country in the fine arts. The comparison of the country in the fine arts. The compatibility of the country in the fine arts. The compatibility of the country in the fine arts. The compatibility is a significant of the country in the fine arts. The compatibility is a significant of the country in the fine arts. The compatibility is a significant of the country in the fine arts.

the reputation of the country in the fine ars. The conserved in engravings might have fallen of in fone mere report from the caule alligned by the Noble Lord, but the thought it was till more to be imputed to the fact, alone of the nations with which there was a very fact that the conserved in the fact articles, had for fone the conserved of the conserved of the care pale of the conserved of th

HOUSE OF COMMONS, Teefleys, March 13.

A Committee was ordered to prepare an ellimate of pay and cleining of the Militain in Great Birtain of treatment of the Militain in Great Birtain of Ireland, for the year 186.4.

On the motion of Mr. Paeglester, a Committee was pointed to confider of the allowances to be made to add in purfuses of an Act of the 440 of the King. The Irith Malt Daty Bill paffed the Committee, and so active to be reported to-morrow.

Mr. H. Berns predated a Petition from the executions of James Wright, Elia, Gernel of Governor of Surgia, praying compeniation. Having been recommended on the part of the Crown by Mr. Addington, Fernico via continuous ordered to lie on the table.

Mr. H. Berns of the Militain of the Act of arch Petitions had been prefedent from the Landwars and Barley-Growers of Norfolk and Suffolk, making of the Malt Duty, moved that a Committee he appointed to confider for much of the Act of a 18th of the Malt Duty, moved that a Committee he appointed to confider for much of the Act of a 18th of the Malt Duty, moved that a Committee he appointed to confider for much of the Act of a 18th of the Malt Duty, moved that a Committee he appointed to confider for much of the Act of a 18th of the Militain and Agriculture. A for a 18th of the Malt Duty, Malter H. Act of the Act of the Act of the Militain and Agriculture.
