ns and Appurtenances belonging their occupation of Mr. Joseph Stapp, a Ter

Satutday's 190ft. By Express.

HOUSE OF PERS, Thursday, May 3.

THE Royal Affent was given, by Commission, to I futteen public and thirty-three private or local Bills; the Commissions were the Lord Chancellor, Lord Wasfingham, and Lord Auckland.

Lord Habar moved "That the Tinanks of this House be given to the Molt Noble and Lord Habar House be given to the Molt Noble real, energy, and ability manifelted by him in the cash, energy, and ability manifelted by him in the cash, energy, and ability manifelted by him in the country, &c. Lords Gravelle, Malgrava, Mahille, Harakeshory, Lords Gravelle, Malgrava, Mahille, Harakeshory,

The question was the product of the House favore voted in proposed the Thanks of the House fault Cleve, for his meritarious conduct as Governor forth St. George, in the late war against Tippoo caun, &c. These were voted non-deft. His Lordy afterwards proposed the Thanks of the House to mithan Duncan, Efq. Governor of Benshay; to merals Lake, St. John, and Welheley; and to the real lubordinate Officers, &c. These Thanks were key, non-diply, their Lordships.

HOUSE OF COMMONS, Thursday, May 3: He House at the Lords to hear Royal Affent given by Commission and the Lords to hear Royal Affent given by Commission, the Royal Affent properties of the House of Lords to hear the Month of the Lordships and Lordships and Lordships and Lordships and the Lordships and Lordshi

From what paffed yesterday in the two Houses of rlament, it was evident that no ministerial arrangement had been formed at that time; and no further ogress in this important negociation had been made a late hour last night. In the Upper House, Lord renville declared, that nothing short of a full, explicit, of disingle explanation of the extiling circumstances ould induce him to agree to any further postponement in the Marquis of Stafford's motion. In the Lorent of the Marquis of Stafford's motion. In the cutted that of things' should preven thim from bringg forward his motion (refpecting the Hanoverian anssports) on Monday next. In the mean time, no

ments. They are determined, that no domer fhall be found in the Public Bufnels of the country, and that the Veffel of the State fhall ride fleady to the very moment in which they are called upon to contign the feels into more detectrous hands. A letter by the Hamburgh mail from Genoa, dated the ad of April, flates, that Adm. Nelfon has received a reinforcement of feveral flips, and is about to divide his fleet into two funadrons, one of which will blockade Toulon, and the other proceed againft Algiers.

A letter from Lilbon, dated April 21, flates, we are forry to fay, that the Hindofan, of 54 guns, Capt. Le Gros, which failed Peb. 12 from Plymouth, with flores from Gibraltra and Lord Nelfon's fleet, had caught fire, and was burnt.

Private letters from Falmouth flate the capture of the Swift hired armed cutter, (ad) Lieutenant Martin Leake, by a large French privateer, after a fevere engagement: the was bound to the Mediterranean with ditpatches for Admiral Lord Nelfon.

The rumour that Buonaparte is to effume the title of Emperor of the Gauls is circulated with

The rumour that Buonaparte is to affirme the the of Emperor of the Gauls is circulated with rereafed confidence.

The trials of the Confpirators have not yet ammenced. Buonaparte receives daily reports the examinations taken before the Grand udge. Moreau is imprisoned with greater ricterfs, and a gendarme never quits his apartment. In some moment of flumber he will represent the properties of the properties of the properties of the grant and he dagger or the bow. Bring will remove from the grant of the greatest and best forces on the greatest forces on the greatest and best forces on the greatest and best forces on the greatest forces on the greatest and best forces on the greatest and best forces on the greatest forces on the greatest forces on the greatest forces on the greatest forces of the greatest forces of the greatest forces on the greatest forces of the greatest forces on the greatest forces of the greatest forces of the greatest forces on the g
