SATURDAY, November 17, 1804.

Numb. 2690.

Printed by and for W. DAWSON, J. GROSVENOR, and W. HALL, and fold at the Printing Office, High Street, Oxford;

ere Letters of Information and Advertisements are received; also by E. Dawson, No. 7, Paternoster Row, and Tayler and Newton, Warwick Sq. London; Smart and Cowslade, Reading; Dicey and Co. Northampton; Piercey, Birmingham; Andrews, Worcester; Cox, Stratford; Norton, Henley; and by Mrs. Williams, Gloucester.—Advertisements and Communications to be sent Post paid.

Sunday and Tuesday's Poff.

UTCH Journals to the 6th, and Paris papers to the 1th, have been received. In Journals to the 6th, and Paris papers to the 1th, have been received. In Moniteur we have the account of the capture is spanish thips, and remarks made upon it, e urmoff they of bitternels. Buonaparte of it as an act altogether unprovoked, for honbing refembling a caufe exitled in the lact or attration of Spains, and he then most upon it all the epithese, which, if that the cafe, it would most undoubtedly deferve.

et or utuation of Spain; and, he then so upon it all the epithets; which, if that he cafe, it would most undoubtedly deferve, anaparte gives himfelf great credit for his rance, it most forcing the Spaniards to take in the prefeit contest, as by the treaty of as, he lays, he was entitled to do. We not the least doubt that Buonaparte, if he post-thought in-ferved his interests better make them take part in the contest, would made 'them do do, whether the treaty of range titled him or not.—He says the power pain is such as to make us repent of our rity and injustice; as she has forty ships, pleaty of failors, and will shut our comeout of all her ports. If in the first place conduct has been perfectly just, if there can fail the prosts. If in the first place conduct has been perfectly just, if there can fail the prosts. If in the first place conduct has been perfectly just, if there can fail the prosts. If in the first place conduct has been perfectly just, if there can fail the prosts. If in the first place conduct has been perfectly just, if there can fail the prosts of the same part of the parties met at Kew and the prost of the parties met at Kew and the prost of the parties met at Kew and the prost of the parties met at Kew and met the prost of the parties met at Kew and the prost of the parties met at Kew and met prost of the fail and the prost of the parties met at Kew and met prost of the fail and the prost of the parties met at Kew and met parties the parties met at Kew and met prost of the parties met at Kew and met parties the parties met at Kew and the parties the parties met at Kew

who ought to be united. We know not this meeting has any connection with the of parties, or indicates any change what in that refepcts. Mr. Fox came to town day from Woburn, alone, and, as we underwaster, was first for, and dined with the Prince at Melbourne's, where was Mr. Sheridan, ome others of the fami parry.

is rumoured that a feeret expedition is in implation, but to what extent, or against it is to be directed, is kept feeret. Indeed of the troops which are delined, as we considered that the troops which are delined, as we can see the feet of the troops which are delined, as we then amend of the expedition we have the name of General Moore.

General St. Cyr, that the year during he had engaged to maintain the French in his dominions having expired, he was ger able to provide for their fubfiftence, ge of which was rendered fill more op-yop the late reinforcements from France, Sr. Cyr replied, that his Majedly might thought proper, but that the troops fed; and that if the Neapolitan Go, t declined to furnish the necefary finy-would immediately occupy the whole and levy contributions by force. This inforced by the most infolent menaces ench Minister, Alquier, compelled his Majesty to continue the allowance, and it most humiliating concessions.

is renea Miniter, Adquer, compelied his an Majelty to continue the altowance, and the molt humiliating concellions. He fending of the Mailda Spanifi frigate to is attributed to the necessity of diparthing ge hoppy of quickfilver, with which indifable article fine was laden for working the sin South America. During the last war anish wellest freighted with that article having captured, a sum nearly leven times her was offered by the Spanish Government the release and permission to proceed on her ges: This proposal was, however, rejected. Street of the strength of the s

We have the fatisfaction to learn, that no perfon of confequence has died in the garrifon of Gibraltar fince the 10th. Mr. Pownall, Naval Storekeeper, and his family (whole deaths have been stated in the London prints) are well; and not a medical perfon has died of the diforder from its commencement.

Yefferday the Barons of the Exchequer having taken their feats on the Bench, the Right Hon. William Pitr, in his official State Robes, took his feat also on the right of the Bench, and with the usual folennities was fworn as Chancellor of his Majethy's Exchequer. The Chancellor and Barons then retired to the Exchequer Chamber, when a Council was held for the nomination of High Sheriffs for the feveral counties for the year enfuing.
