Saturdap's Post. By Express.

LO & DO N, Mey 24.

ON Thurfday, in the Houfe of Commons, Mr. Serjean Beß moved, that the whole of the Eleventh Report of the Committing, Mr. Serjean Beß moved, that the whole of the Eleventh Report of the Committee, an export their opinion upon it to the Hustle.—In the motion met with more animadverfloot han opposition.—Mr. Pitt arraigned the matner in which fome of the points had been handled, as not quite technical, but concluded only with an agendment, the effect of which was, that the affair of Secret Sérvice Money should be referred to a secret and dittined Committee. The motion thus amended was carried una vocc.

According to dispatches received at the Admiralty yesterday, from Admiral Lord Keith, the emeny's force at Boologane has within the last see when the secret service of Holland, the general opinion is that a simultaneous movement towards our shores will shortly be attempted by the enemy.

A Poil Ostice express arrived at the Admiratous movement towards our shores will shortly be attempted by the enemy.

A Poil Ostice express arrived at the Admiratous movement towards our shores with the selection of the selection

of the world.

It appears that no objection is now to be made to the general admission of French troops into Spain. Camps, it is faid, are to be formed of the troops both nations conjointly, in the neighbourhood of Cadiz and Ferroli, where any army is always to be kept in readiness for embarkation.

There is nothing in the foreign papers which can lead us to any more certain conclusion with regard to the negociations between this country and Russia.—They are almost entirely likent upon this inhight.

regard to the negociations between this country and Ruffia. — They are almost entirely silent upon this subject.

Some Dutch Papers received last night to the 19th, flate, that the installation of the new Gordment of Holland took place on the 19th, when Schimmelpenninck, in his quality of Grand Pensonary, opened the fift Bession of Grand Pensonary, opened the fift Bession of Grand Fensonary, opened the fift Bession of Grand The deplorable state of the Dutch sinances forms the principal stature of his Speech; and it is arowed, that the receipts are scarcely sufficient to defray the interest of the debt. He deprecates to defray the interest of the debt. He deprecates to defray the interest of the debt. He deprecates to defray the interest of the debt. He deprecates to defray the interest of the debt. He deprecates the idea of any salure of their pecuniary engagements, and proposes to obviate the inconveniences. Fischling from the defeit, by introducing order as coronomy into the national expenditure.

Recommend the state of the debt. He deprecates the state of the state

Letters from Gibraltar, dated the 19th of April, were received in town yellerday; they make no inention of the Combined Squadrons shaving returned to Cadiz, or of Lord Nelfon.
Letters after politively that the Panguard, of feventy-four guns, and the Princes Charletter Frigate, which were laid to have been took in the Well Indies, are fafe.

The Bruffels Journal of May 8 contains, an article from Madrid, in which it is afferred, that Generals Junot aid Bournonville had conferred with the Prince of Peace, and fixed upon the military dispositions, and the diffracts in Spain, where camps will be formed, for office of Friefel and Spanish troops. One of them will be formed near Cadiz, and one of them will be formed near Cadiz, and contained the contained of the positions made in Holland.

The troops forming the comp at Zegft with amount to 12,000 French and 4,000 Batavian.
