LONDON, March 25.

DISPATCHES were on Sunday morning received at the Admiralty, announcing the atchievement of another moit important naval victory. The Tower and Park guns were fired at noon, and the particulars of the event were published in a GAZETTE EXTRAORDINARY, of which the following is a copy:—

"Admirally Office, March 23, 1866.
"The Honourable Captain Cochrane, late of his Majesty shoop King's Fisher, arrived early this morning with dispatches from Vice-Adm. Sir J. T. Duckworth, K. B. dated off the town of St. Domingo, which, with a spunding on the 6th of that month, discovered a squadron of Perench ships, consisting of five sail of the line (one of that month, discovered a squadron of Perench ships, consisting of five sail of the line (one of that month, discovered a squadron of Perench ships, consisting of seven sail of the line, command, consisting of seven sail of the line, town of registers, and two sloops, he immediately attacked, and, after an action of two hours, the sail of the sine should be supported to seven sail of the security singer, and two sloops, he immediately attacked, and, after an action of two hours, bearing Rear-Admiral Le Seigle's flag, were driven on thore in a disbled state, and afterwards taken possession of two hours, bearing Rear-Admiral Le Seigle's flag, were driven on thore in a disbled state, and afterwards taken possession of the hortbunder dand thirty-eight. Mo British officer was killed. The Honoriesble Captain Stopford was slightly, and Lieutenant Seymour, of the Nortbunderland (which ship infered the most in the action) severely, wounded, in the King's Esper.

"The Vice-Admiral had proceeded with his prizes to Jamaic "
SUPPLEMENT TO THE
London Gazette Extraordinary
Of Suday the 24 of March.
ADMIRALTY OFFICE, MARCH 24.
DISPATCHES, of which the following are copies, from Vice-Admiral Sir John Thos.
Dackworth, K. B. commanding a fquadron of his Majefly's flips, addreffed to Wm. Marfden, Efg. and brought to England by Capt. Nathaniel Day Cochrane, were yesterday received at the Admiralty:
Sapreh, to Lexuard of the town of St. Demirum, about the Admiralty of the town of St. Demirum, about the supplies of the St. Sta., As I feel it highly momentous for his Majefly's fervice that the Lords Commissions of the Admiralty flould have the exilest information of the movements of the squarious under my command, and as I have no other vessel than the Knop's Fisher that I find the state of the St. Sta., the state of the st

the fame zealous ardour in Import of Company. Yes, polified of thefe feelings, man, without injulities, to the firm and for which I was indebted to Captain offset that the friften of dichpine and which I found the Superk, mult ever a pre-emissione of the British feamen more configurous than in this contest.

After the action, the water being too deep to anchor in the Bay of St. Domingue, it was required to with the prizes to repair damages, put the flips to with the prizes to repair damages, put the flips in a manageable fate, and flitt the prisoners, which took me till this afternoon; when I detached the Hon. Captain stoopford in the Speace, with the Damagel and Captain stoopford in the Speace, with the Damagel and prizes to Jamater had fold her bowlprit, with the prizes to Jamater had job his command, where his fervices must be wanted, as in maintain a fitting to the Northumbertand, under the maintain a fitting to the Northumbertand, under the maintain of the Margaret and the history of the Northumbertand, under company the Rear-Admiral Louis, Aufle, and Margatinner, off St. Domingue, to make certain of the Imperial and Louis and Captain and Captai

mentioned of admiration and approbation, with thanks, in the most of admiration and approbation, with thanks, in the most of admiration and approbation, with thanks, in the most of a profession of the forest of their fervices in the battle of yetterday.

To the Housewich Rear-Admirat Cachean, Deckworth.

To the Housewich Rear-Admirat Cachean, Rear-Admirat Louis, the Captains, Offsers, Stances, and Reyal Marines.

Superity, to Lecuard of the town of St.

Domingue, Feb. 8, 1866.

Sin, Having, in a letter of about two hours fince, acquained you of my intentions to fire the Lapraid and Diametel, I have the fatisfication now to Gay, that Captain Dunn, whom I had employed on that fervice, has refused all the prifoners from perifiling through a tremendous fea, and completed the whole of the fervice highly to my fatisfaction and his own of the fervice highly to my fatisfaction and his own of the fervice highly to my fatisfaction and his own of the fervice highly to my fatisfaction and his own of the fervice highly to my fatisfaction and his own of the fervice highly to my fatisfaction and his own of the fervice highly to my fatisfaction and his own of the fervice highly to my fatisfaction and his own of the fervice. I am to defire you will flate to the Lord. Coming I am to defire you will flate to the Lord. Coming I am to defire you will flate to the Lord. Coming I am to define you will that to the Lord. Coming I am to define you will that to the Lord. Coming I am to define you will then the the comment of the Ministry of the Ministry.

To Wm. Maryline, Efg. W. G. Admiratly.

The Mail due on Sunday arrived this more loss.

Lord Commilloners of the Admiralty; and I am, sir, your's, &c. J. T. Duceworth. To Wm. Marflan, Elp. &c. C. Admiralty. The Mail due on Sunday arrived this morning together with Dutch papers to the 22d. Two objects of great importance are faid to occupy the attention of Dutch Government—an approaching change in Dutch Government—and an accellion of territory from Pruffal. Cleves, Wele, and all the object of the right Bank of the Lippe, is to be beded to Holland, and was to be taken polician on the 15th John of the Cleves, Wele, and all the second on the 15th John of the Cleves, Wele, and all the second of territory, France is to have Barvain Brabant conditions and was to be taken polician Brabant conditions expected to place Murat at the head in the Government. He is arrived at Duffeldorff. Whilft one part of the French troops are returning home from Germany, another has received orders to proceed to Italy, where a mofformidable force is affembling. Part of the French troops in Holland have also received orders to proceed to Italy, where a mofformidable force is affembling. Part of the French troops in Holland have also received orders to proceed to Italy, where a mofformidable force is affembling. Part of the Rench to Proposition of the Prench troops in Holland have also received orders to march to Italy.

The Dutch papers contain long details from Naples, from which it appears that the Prince Royal and Prince Leopold occupy in Calabria, with 17,000 picked troops and a numerous leave margin of the property has been detered to the property of the entrance of the French, but were subtanced to the property of the entrance of the French, but were subtanced to the property of the entrance of the Prench, but were subtanced to the hips in the Bay, which were not out of the reach of the batteries when the French entered Naples, were forced to firike the account of the reach of the batteries when

that the Duichy of Cleves, Berg, and the county frequency in this adion, the same of Marck, will be erected into a Principality, and given to Murat, this adion, and, or were read to the complete that the same of the complete that the same of the complete the same of the complete the same of the complete the same of t
