On Monday laft an inquest was teken at the Ock
Mills, near Abingdon, on the body of John Swadling,
aged twenty-eight. It appeared that the deceased had
imprudently sissered as a resistance, containing a fire, made
of wood and coals, to remain in his chamber when he
went to bed on Frisday evening, and on the next moraing he was found quite dead. A fellow servant wha
shey with him had nearly shared his melancholy
fate, but, by a diligent use of proper means, was
