SATURDAY'S POST. BY EXPRESS.

LONDON, DECEMBER 8.

THE following is an extract of a letter from is likely to be freed from her enemies, for enemies, motivalitating the peace, we may be remained in the first of the first from the first freed from the first form of which is to take its departure on the 25th inflant, and another about the 50th, for that by the beginning of next month we may reckon that there will be no French troops in the city. The greated part of those who have left the neighbourhood of Vienna have proceeded to France, and the avowed object is to re-enter Spain and force it to fubmission; but the Hanse Towns are to have each of them a garrifon, which is to put a stop to all trade by the most regorous meatures. We in this shall fulfier feverely. The garrifon at Hamburgh is meant to consist of above 5000, and other places in proportion. A full stop will in this case be put inevitably to commerce. The Sovereigns of the greater part of Germany lave gone to have a stop of the first force of the first forc
