Some rumours have been in circulation for
two or three days, of bad news from India; but
without foundation. The laft intelligence overs

but that the Brittiff Government had wilely deermined to take no part in the contect.

The National Reprefentative, TaleLiss, is reairred to Faris, but has made no report to the

have made to the Committee; but it is thought,
that the news of which he has been the bearer, is
not fastisgactory to the friends of the Republick.
