The estinction of the National Debt, which is not far issue, is a further source of congratulation, and affords a goorable prospect for the future.

As interest, a statement is given of the present continued the ludiants.

raing Paper of yesterday asserts, with an air of intelligence, that a contract for a Loan to the of Brazil har asserted in this country, and ratification of the bargains on the part of the r is expected by the next arrival. The arrival and the yinforms us that the English contractor is Mr.

concepting (now ne toe met opponents of the motestants.
