LONDON.

The Paris morning papers of Thursday reached town on Saturday morning, at a late hour, by express. The following extract of a private letter from Leghorn, is from The Constitutional of

press. The following extract of a private letter from Leghern, is from The Constitutional of August 4:—

"The division of Miauls, joined with that of Sachtury, has obtained a brilliant victory over Topal Pacha, the Trayish Admin.]. On the SSit of June the first attack took place, without, any result, but on the 29th the Greeks, favoured by the wind, sent their fire-ships among the Turks, which as the to two brigs. Immediately the Turks to two brigs. Immediately the Turks to two brigs. Immediately the Turks to two brigs and it is assumed that a great part of the enemy have been driven on the coast of Miloso. This disaster will prevent Ibrahim Pacha from receiving reinforcements by sea."

A Flanders Mull arrived in town Saturday mening, bringing papers to the 3d inst. Turk centent are not of much interest. It will be seenly an extract-from a Brussels Journal, than tense taking for the Brussels Journal, that measures are taking for the Grussels. Journal, that measures are taking for the Grussels.

Schedict to Brussels:—

BRUSSELS, JUNE 30.

M. Terman, chief-engineer, is at this moment completing, in the envirous of Vibrorde, the survey and the taking of the plans relative to the intended canal which is to form a direct communication from Brussels to the Scheldt.

Letters from Berlin positively affirm that his Majesty the King of Prussia will come to Brussels to the month of September, on a visit to our court. It is hoped that about the same time the Prince and Princess of Orange will arrive from St. Petersburgh, after their long absence, which is the

The Duke of Wellington arrived here to-day from Oudenarde, and after having inspected the fortifications, took the road to Tremonde to continue his operations.

time his operations.

FRANKFORT, JULY 29.
In the night of the 90th a fire broke out at Berleburg, which, in consequence of the searcity of water, resulting from a long drought, spread with great rapidity. In less than an hour the greater pair of the town full a prey to the flames. Is house and 89 adjacent buildings were reduced to askel Happily no person peribad, and lust a few cattle were lost, but a great many persons are reduced to the greatest distress.

The Crown Prince of Prussia arrived at Colegon on the 27th. His Royal Highness having, received the Magistrates, and visited the Cathe dral, accompanied by the Archibashop, set out aft dinner for Ems to join his august consort.

By the St. Lowersec, Caph. Harley, arrived i

dinner for Ems to join his august consort.

By the St. Learnence, Caph. Harley, arrived it the Downs, from Quebec, which place she left ethe Sth July, we have received. Quebec Gazett-of that date:—

The greatest activity is evinced in the shi building line in all the yards. There are from to 20 vessels on the stocks, all of which it is epected will be launched in the course of the fs. The number Jaid down on the stocks during it season will considerably exceed that of any fe mer year. Great receasitions are made for building the property of the stocks during it season will considerably exceed that of any fe mer year.—Great preparations are made for bui ing next winter; the contracts are already ve

cetensive.

Timber, in considerable quantities, is prejing for carrying on this branch of business to much greater extent after the close of the sease.
