HENRY L. COOPER, in submitting to his
friends the publication of his Register for the present
anoth, is basy in being able to state that, after having already
disposed of a much greater number of properties than on any
ment has found with the Pablic, he has still the opportunity of
laying before them a list of Houses and Estates, which few
competitors can exceed, either lovales, importance, or artiery,
and in situations which comprise most of the counties in
arties, either as buyens or sellers, at the reasonable value of
the day, may both be accommodated. An engagement of upmarks of forty grara in the uploativery department, on the same
apoit, will, it is presumed, be a sufficient guarantee for his instream, is considered, being in the immediate vicinity of the flank
of England, Garrassy's, and the Auction-Mart (the resort of
the monied and landed interest of the country), presents
facilities peculiar to this establishment for effecting immediate
facilities peculiar to this establishment for effecting immediate
relative control of the control of
whatever interests may be committed to bis care.
N.B.—Noblemes or Gentlemen desirous of taking a professional opinion will be waited on at their residences or estate.
